

Your formative assessments contributes to your Cumulative Assessment (CASS) mark which is made up of the marks achieved for all formative assessments, including ICE.

Written Tests and Exams will take place on campus as invigilated assessments under exam conditions at the date and time specified.

All Submissions are submitted on ARC via Turn It It before 23h59 with no expectation of student support past 17h00.

For the School of Computer Science there are practical modules that require assessment submission on GitHub and ARC. Where indicated on the PAS below, submissions on both ARC and GitHub are compulsory for these modules.

Any late submission received within 24 hours of the submission due date and time (known as the extended submission period) will incur a penalty of 15% deducted from the overall percentage attained for the assessment. Any submission received after the extended submission period will not be accepted and will be awarded 0%.

Please note that Resubmissions for Portfolios of Evidence, Summative Projects, Research Reports and Summative Assignments will not be a new assessment, they will be a resubmission of the reworked original assessment as per PDIE009.

Please note that students who apply for a deferred assessment for the Exam Sitting 1 (First sitting) or Exam sitting 2 (Supplementary sitting) will write in the next available Exam sitting. Please refer to PDIE009 for the full policy details around deferred assessments.

Please note that this Programme Assessment Schedule is subject to change, please check the student portal for the most up to date version.
